

St Francis R.C. Primary School

We believe that with God everything is within our reach!

PARKING

Over the last few weeks we have had several negative communications from local residents about inconsiderate parking at the start and end of the school day. They are complaining that some cars are actually blocking their drives as well as mounting the pavements and parking on yellow lines. Please consider setting off a little earlier and parking safely and considerately. Every member of our school community must play their part to keep our children safe.

PE KITS

We have a number of children who do not have a PE kit in school. Please aim to leave a full PE kit in school so that your child is never without their kit if they need it. This is not always necessarily on their PE day!

**Friday 31st
January**

Prayer for the week...

God our loving

Father,

May I find

rest in Your

presence, and

may You

refresh my

soul.

WEBSITE

We are having a brand new school website that will be launched in February half term. It will contain lots of information about school life. The address will remain the same:

www.stfracismanchester.com

We will let you know when the new site is live.

In the meantime, please follow us on X. It is a great way of seeing all the exciting things happening in school.

@stfranciscgorton

PARENTAL SUPPORT

We are always very grateful for the support of our school community. If there are any skills, roles or talents that you feel that you could share, please let the office staff know. The children love to hear from people working in the emergency services, NHS, vets, dentists, the arts etc. We would love to have a bank of parents to call upon to support teaching and learning.

If you could be available to accompany our classes on school trips, please also let the office staff or your child's class teacher know.
