KEEPING OUR CHILDREN SAFE

The safety of our children is our absolute priority and we kindly ask all parents, carers and family members dropping off, and picking up children, to be considerate to our neighbours and follow parking regulations for the safety of all. Wherever possible, we would always encourage you to walk to school, but fully appreciate that this is not always possible. Please remember to park safely and responsibly; the unmarked section of Textile Street and our church car park can be used for parking. Thank you for your support with this.

LABELLING UNIFORM

The children look really smart in their school uniform - thank you for continuing support us with these high standards. Please remember to LABEL ALL school uniform. At this time of year, the children often take their jumpers off, and in a busy school environment, they can soon be misplaced. Please also check the labels to ensure that your child has brought home the correct uniform. Please refer to school website for school uniform expectations.
