Wednesday 22nd October 2025

Dear Families,

Each November, we like to commemorate Remembrance Day.

This year the school councillors will be selling poppies for the children to buy for a small donation and they are very welcome to wear them in school.

We would also like to create a beautiful remembrance display and are inviting the children to make their own poppies or poppy wreath as homework for the half term holiday.

The poppies can be made from any material and can be as creative as possible.

Please can children bring them into school by **Friday 8th November**, giving them to their class teacher and we will put them on display.

The remembrance poppy is an artificial flower that has been used since 1921 to commemorate personnel who have died in war.

- A symbol of remembrance and hope
- Worn by millions of people
- Red because of the natural colour of field poppies

Please see pictures for ideas:

We hope that as many children as possible will support us with creating the display and in raising funds for this important charity.

We look forward to seeing your creations,

St Francis School Council.
