					and those who have little.		
Y2	We love and look after each other because we are all brothers and sisters. Loving each other makes us strong.	I belong to my family and my community. My community needs me.	We build together a community of peace. We celebrate together.	Helping each other to make the right choices. Fair shares for all.	Working together to make our family happy. Exploring fairness and justice.	Finding my special job- my gift for the world. Working hard to be the best you can be for others.	God's gardeners. Celebrating the harvest.
Y3	We are all equal in God's eyes and loved.	What makes community?	I listen to you with my ears, eyes, heart and mind.	Barriers to happiness.	Why are some parts of our area richer or poorer than others?	Exploring our understanding of work. How does work build us up?	All things are connected.
Y4	I have been given a special gift for the world.	Who is in my community?	We walk together as people of peace.	Exploring our responsibilities for each other.	What are the needs of those in a poor area compared with those in a rich area?	The many sides of working together to build up community.	Enough for everybody's need but not everybody's greed.
Y5	Each person is unique and irreplaceable- everyone matters.	Building up the Community.	We face challenges together.	Recognising the difference between rights and responsibilities.	Raising awareness both locally and nationally.	Recognising and helping others to find their gift and share it.	Stewards of God's world (understanding the concept).
Y6	People matter more than possessions.	Building up the Kingdom of God.	Building our own Mission Team.	Happiness comes in sharing and giving.	Bring Christ's voice in our area for those who need us the most.	Enabling each other to aim high.	Seeing God in creation.
