

Science – Earth and Space

St Francis RC Primary School

Year 5 – Earth and Space

- Know that the sun is a star at the centre of our solar system.
- Know that the planets orbit the sun.
- Know that the moon orbits the earth.
- Know that the earth spins on its axis

We investigate the following...

- Is there a pattern between the size of a planet and the time it takes to travel around the sun?
- How have our ideas about the solar system changed over time?

Key Vocabulary

- Earth
- Sun
- Moon
- planets
- solar system
- star
- rotate
- orbit
