

JUBILEE YEAR OF ST FRANCIS 2026

Whole School Homework

As part of this very special year for our school, the children will be relaunching our House Saints. Before the summer, a group of children researched a range of saints and selected eight who they felt were particularly inspiring.

On Thursday, we talked about each of these saints in assembly and explored why they are important role models of faith, love, service and courage. We are now inviting all children to spend some time over the weekend and during the coming week to research the eight saints in more detail at home.

This will help the children make an informed choice when they vote at the end of next week. The four saints receiving the most votes will become our new House Saints, representing our school community for many years to come.

- **St Josephine Bakhita** - Freedom, Hope and Forgiveness
- **Blessed Carlo Acutis** - Faith, Technology and Inspiring Young People
- **St Teresa of Calcutta** - Kindness, Service and Caring for Others
- **St Clare of Assisi** - Prayer, Simplicity and Great Friend of St Francis
- **St Bernadette** - Love, Courage and Humility
- **St John Bosco** - Helping Children Learn and Grow, Education, Kindness
- **St Martin de Porres** - Kindness, Equality and Caring for Everyone
- **St Therese of Lisieux** - Love, Kindness and Doing Small Things Well

It would be wonderful if the children chose to bring in a poster, presentation or another creative piece of work showcasing their four chosen saints. However, this is entirely optional and is not a requirement for completing the homework.

We look forward to seeing which saints inspire our children the most and thank you for your support.
